WOMAN VOTERS ORGANIZE

A League of Women Voters was duly organized last evening at Indiana Harbor and election of the following officers took place: President, Mrs. Willard R. Van Horn; vice-president, Mrs. P. Callahan; Miss Edna Toy, secretary; Mrs. R. H. Hall, treasurer. The attendance was most promising for enthusiastic meetings to come and the next of these will be Wednesday evening October 6th, when nominees for prosecuting attorney will be present to submit their ideas of the duties that office imposes. They are W. J. Murray of Indiana Harbor; Dwight M. Kinder of Gary and H. E. Granger of Hammond. All men and women of the community are most urgently requested to be present at the meeting and to hear these men who represent the democratic republican and Farmer-Labor tickets. The meeting will be called promptly at 7:45

clock. There is to be a series of political meetings up to the date of the fall election and announcements will be made early in advance as to when they will be held. The place of meetings will be at the Civic Club. A voting machine is expected at a near date and instructions will be given to the women regarding the use of it. Indiana Harbor women are showing the spirit of interest in their new enfranchisement and as in all other uplift endeavors of their own community are responding liberally to the call for their united efforts. Katherine Howard will direct publicity of the League for this time.

Not desiring to operate under disguise, the young men have previously announced themselves through the press on hortatory occasions and will be hosts to the event at the door the evening of the dance. A banner advertisement tomorrow evening will give more detailed accounts of the dance. One promise is made that the utmost decorum will be maintained throughout the evening and there will be special attractive features interspersed with all the dance hits. Decorations of the hall will be suggestive of the autumn and leaves will be principally used. A cordial invitation is extended to all of their friends to attend.

Nightly services are being held at the Holiness Methodist church, at the corner of Chicago ave. and Hickory st. Evangelist Edith Ehlers is meeting with success while conducting the meetings and the attendance is increasing perceptibly. There is a mistaken idea on the part of a few who connect this little church with the religious ceremonies of the Holy Rollers. There is no similarity in the teachings nor the services held.

The L. A. L. Club will resume their social meetings with a gathering at the home of Miss Ruth Zimmerman in North Baring ave. tonight.

Trained Nurse Advises People

"I was a great sufferer of stomach and liver trouble and cannot say enough in praise of Mayr's Wonderful Remedy. It has done so much for me and I am recommending it to other sufferers. I was a trained nurse in Marine and other hospital years ago, therefore many come to me for advice. I certainly received great benefit from Mayr's Wonderful Remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. The production of Peter Rabbit's Dream will appear next Wednesday afternoon, Oct. 6th, at the McKinley Auditorium for school children and the following evening, Thursday, Oct. 7th, for adults, under sponsor of the students of the playground and physical training classes as directed by Miss Foster and creditably produced at the conclusion of the summer activities but owing to the large attendance at that time many were not accommodated and expressed a desire to see the performance at some later date. The opportunity is not far distant now and the public has a most cordial invitation to be present.
